**Subject:** Re: Anaconda/CFAC-Availability of Press Clippings-Record Center Question

I'm tied up all day today. If possible time wise I can engage more tomorrow. Maybe we could schedule a quick call tomorrow?

Mike

Cynthia,

Do you know if any of the press clippings have made it to the records center? I have an e-collection of press clippings I collected starting at the end of 2014 and continuing through June, 2015. I then have 2 press clippings from February, 2016, but nothing in between. I'm happy to print out what I have and send them to the records center, but what about the period from July, 2015 through present?

Also, do you know what, if anything, we have sent to the records center in terms of community meetings / community liaison meetings?

Robert,

I also have a large collection of press clippings on Glencore from the Wall Street Journal. Should we be sending those to the records center, too?

Mark
